Concept:

Tamarind Village is a unique and charming boutique property that nestles in the heart of historic Chiang Mai. Surrounded by ancient temples and quaint shopping streets, it takes its name from a magnificent 200 year old tamarind tree that shelters the hotel in a shady embrace. Set around a series of garden courtyards, the 42 guest rooms and 3 suites reflect the rich ethnic diversity of northern Thailand by using fabrics and patterns drawn from the various tribes of the region. Intimate, serene and relaxing, Tamarind Village is an oasis of calm and tranquility, the perfect base for exploring Chiang Mai and beyond.

Accommodation:

Tamarind Village's rooms exude a rustic ambiance that is casual yet simply elegant. The rooms are decorated in a fresh contemporary style that draws on the rich tradition of northern Thailand's tribal people as well as Chiang Mai's vibrant design community for the runners, throw rugs and accessories.
