RUEN TAMARIND

Traditionally, Thai families eat in a communal fashion with the dishes shared by all. In order to better appreciate the intricate interplay of taste, texture and seasoning, the appetizers, soups, salads and main dishes are all served at the same time.

## Home-Style Northern Thai Menu

*The cuisine of northern Thailand is as rich and varied as its people and customs. As part of the Lanna culture which grew up at a geographic and cultural crossroads, the food of the north represents a unique blend of distinctly local flavors with the exotic influence of dishes from neighboring China, Burma, Laos and Shan State.*

*Along with the staple food sticky rice which is eaten with a selection of spicy dipping sauces called 'Nam Prik', the people of Lanna also enjoy a healthy assortment of vegetables, herbs, fish, soups and curries taken communally with family and friends.*

*Whether a simple meal or an elaborate feast, the carefully balance textures & flavours reflect the bounty of the land, diversity of cultures and the generous nature of the Lanna people and their traditions.*
